The submission of this Supplemental Information Disclosure Statement and Form PTO/SB/08A and PTO/SB/08B is not to be construed as a representation that a search has been made. This submission is not an admission that the cited references are "prior art" with respect to the present invention, nor is it a representation that no better art exists. Applicants hereby reserve the right to swear behind or otherwise disprove any alleged "prior" nature of any reference cited should the facts support and the situation warrant such an action.

It is submitted that the art cited does not constitute a bar to the patentability of the Applicants invention under 35 U.S.C. § 102 or § 103.

The information contained in the information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application, and is being filed prior to the expiration of three months of receipt from the foreign patent office. A copy of the International Search Report and copies of the foreign patents are enclosed for the convenience of the Examiner. No fees are believed to be due in connection with the filing of this Supplemental Information Disclosure Statement; however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to these materials, the Commissioner is hereby authorized to deduct said fees from Deposit Account No. 50-1629/210477US.

Applicants respectfully request that the listed documents be made of record in the present case.

Respectfully submitted,
